

Our Lady of Fatima School Piscataway, NJ

Grade 4

Summer Reading & Academic Activities

Take some time to enjoy your summer break. It is important to maintain and reinforce skills that you have learned in third grade, so please carefully follow the below guidelines.

You have 1 required book to read this summer, Mr. Popper's Penguins by Richard and Florence Atwater. When you return to school in September, there will be a quiz on the book's literary elements: characters, setting, plot, theme, and resolution. You should keep a reading log for the book that may be used during the quiz.

Review multiplication facts 0-10. Practice with flash cards or computer games. Review subtraction skills with regrouping. Review place value concepts up to the hundred- thousands place value.

Reinforce your letter writing skills with a quick postcard message. Please send me a postcard from your hometown or favorite vacation spot. The student who sends me the postcard from the furthest distance will win a special treat the first week of school. Please send all postcards to:
